Dear prospective **DKJ Scholar**,

We appreciate your interest in becoming a **DKJ Scholar**! The DKJ Scholar program recognizes underrepresented, hard-working youth who are in pursuit of a STEM-related undergraduate degree at an institution of higher learning. These well-deserving youth have successfully demonstrated their abilities through academics and community-focused activities.

The **DKJ Scholars** program is comprised of a supportive network of services designed to promote academic and social success. Support may include scholarship awards, networking opportunities and recognition events. Scholarship awards may assist in covering the costs of fees including: tuition, board, meal plans and books.

The **DKJ Scholars** program is funded by **The Danna K. Johnston Foundation**. The Foundation exists due to the generosity of its supporters who contribute their financial support, time and energy.

Since 2008, **The Danna K. Johnston Foundation** has provided a supportive network to students who have demonstrated a commitment to continuing their education. To learn more about our organization, please visit us on the web at www.dannaKjohnston.org/.
